

Wow this is so great Dave !!

Why did i not think about this PDF before it just a "great" idear.

A black banner for EEVBlog. On the left is the logo "EEVBlog" in large white and blue letters. To its right is the text "Electronics Engineering Video Blog" in white, with the tagline "NO SCRIPT, NO FEAR, ALL OPINION." below it. Further right is the text "An off-the-Cuff Video Blog for Electronics Engineers, Hobbyists, HaCkers and Makers" in a smaller white font. On the far right is a yellow sun icon with a black circle in the center containing the text "I love EEVBlog" in black.

Is PDF so much better than text in a email I am not so sure !!
