

KSGER 96W 24V 5A Power Supply Unit For STM32 STC OLED T12 Digital DIY Soldering Station Controller

Soldering Power V2.04

U2 Chip-Rail CR6842S, compatible with SG6842J, LD7552, OB2269.

Notes:
Skinny trace for PE GND
+HV trace goes under heatsink :(
No bleeder resistor for primary cap
No chassis GND connection at all
5A fuses are too large
C7 is only 100V polyester
